

This past year had a lot of ups and downs for me. Thank God for his consistency when life seems like a roller coaster.

Some of the ups and downs for me included serving as the Vice Principal at Christian High School where our attendance had almost doubled in less than 2 years as well as a full time Bible Teacher, my son getting his driving permit (exciting and scary), my close friend of twenty years being diagnosed with cancer, close family moving out of state to become missionaries, speaking and exhibiting at ten home school conventions, and so much more.

If I didn't have the firm rock of Jesus Christ and His Word, I would be very dizzy, to say the least. Maybe you feel the same way. If so, know that you are in good company, we are walking together as brothers and sisters in Christ, with the Lord Jesus as our guide.

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers."

GALATIANS 6:9-10

WHAT PEOPLE ARE SAYING

I frequently get feedback from students & families who have taken my classes. Here are some recent testimonies:

"Mr. Conover's apologetics course is one of a kind and it presents the most relevant issues in today's culture and world. His teaching helps students to defend Christianity, know how to refute other religions in an intelligent and loving way, and share their faith in a confident yet humble manner. He keeps you engaged and leads you to a stronger knowledge of the greatness of our God."

— M PODLENSKI

"This class has been the most beneficial class for my faith. This class has helped me learn about other religions and has answered questions I have wondered about for so long. I am truly so thankful for this class and all that I learned because I am now a stronger Christian, and can share the Gospel and teach those around me."

— H BLIZARD

"This was my favorite class and I would take it even if it wasn't required! I enjoyed learning a lot about every topic and I now feel much more confident in my faith and knowledge of it."

— N DELAGARZA

SPEAKING ENGAGEMENTS

GREAT HOMESCHOOL CONVENTION

- + GREENVILLE, SC / MARCH 17 - 23
- + ST. CHARLES, MO / MARCH 24 - 26
- + CINCINNATI, OH / APRIL 21 - 23

That's 421 new families being discipled with the evidence for the truth of God's Word. Thank the Lord! I expect that number to triple in 2023, God willing.

MAKING (AIR) WAVES

The Educate for Life radio program continues to be broadcast on the largest Christian Radio Station in San Diego, KPraise 1210 AM as well as on podcast & YouTube.

In 2022 we had a large variety of interviews with experts testifying to the truth & goodness of God. A few of our many guests included:

Robert Morgan addressing America's Christian Heritage, he is a best-selling and Gold-Medallion winning writer with more than 35 books in print and over 4 million copies in circulation.

[LISTEN NOW >](#)

Andrew Pudewa is founder & director of the Institute for Excellence in Writing. He speaks around the world addressing issues related to teaching, writing, thinking, spelling, music and persecution of homeschoolers.

[LISTEN NOW >](#)

Dr. Brian Thomas holds a master's in biotechnology and a Ph.D. in paleobiochemistry. He specializes in dinosaur education and has written more than a thousand articles for the Institute for Creation Research as a science writer and editor.

JONESY, HIS WIFE MARI, AND THEIR SIX KIDS.

Please continue to pray for Educate for Life's project director, David (Jonesy) Jones. He was diagnosed with cancer in July and recently finished chemotherapy. The doctors seem positive but there is still a long ways to go.

MORE TESTIMONIALS

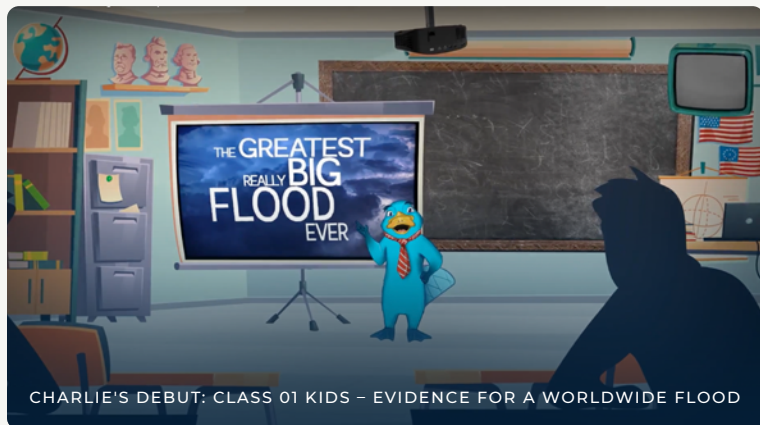

"In my day-to-day life, I found myself engaging in meaningful and much-needed conversations about biblical topics within my relationships—conversations that would have never taken place had I decided to sit out this class. I have no doubt that the knowledge I acquired here will last me a lifetime. I really appreciate how Mr. Conover handled controversial & taboo subjects with tact & respect."

— K MILNER

"EFL has been the best part of our homeschool! So grateful we found it. I tell everyone about it. Thank you for all you have done to make this available to us. We start a new course today, my 14 year old and I can't wait!"

— J SPIES

CHARLIE THE PLATYPUS

CHARLIE'S DEBUT: CLASS 01 KIDS – EVIDENCE FOR A WORLDWIDE FLOOD

We are excited about the release of our new kids apologetics program. It is currently in the developmental stages. We did release a draft of the first class on the Worldwide Flood.

Jonsey and our team are actively working to complete the first class and launch an additional draft of the second class before year end. Please pray over the details of this project.

CONTINUED FROM PAGE 1

We had a big set back when David Jones, director of our new kids apologetics curriculum with Charlie the Platypus, was diagnosed with cancer in parts of his face and head.

It's not always easy to see how God is working, especially when a loved one gets cancer, but this trial forced us to wait on God and to ask Him for wisdom on how he would have us move forward.

During this time when I was flying back from a home school convention in Tennessee, I ended up flying on an airline I never fly on due to a variety of circumstances. The man I sat next to worked for Disney for thirty years and his adult kids are all professional animators who worked for Disney and Pixar.

We spent three hours talking and sharing and one of his daughters (Keena, pictured right) is now working with us to assist David in finishing our kids curriculum.

We believe God is redeeming the time we lost to make our kids curriculum better than ever.

Keena has helped us redesign Charlie the Platypus (see left) and we have established more streamlined methods for getting all twenty of the classes completed in 2023.

OUR PLANS FOR 2023

SPEAKING ENGAGEMENTS

I am currently booked to speak and exhibit at 11 home school conventions in 2023.

KIDS CURRICULUM

We are going to finish all 20 of our kids curriculum classes in 2023.

ONLINE LEARNING PLATFORM TECH IMPROVEMENTS

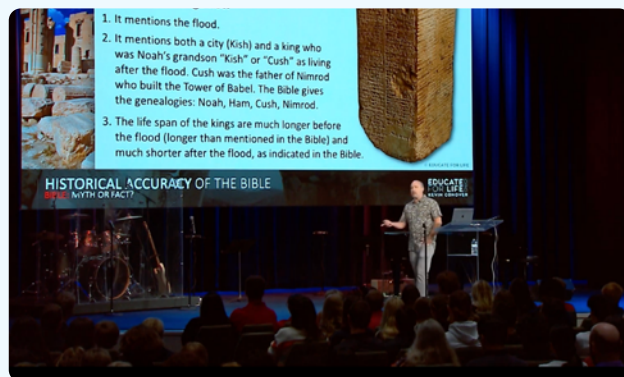

We are on the cusp of working out an agreement to contract with a Christian ministry technology company that will take our online learning platform to the next level.

We intend to offer auto graded tests, online fillable notes, and badges for students when they complete their classes. This will provide an easier teaching experience for parents and more motivation for students to finish their classes.

One of the hurdles to online learning is making sure students complete their classes so we are also looking for ways to support parents in holding students accountable to making sure they are assimilating all the information that is being taught to them.

CHRISTIAN HIGH

I continue to teach five classes of 12th grade Biblical Apologetics at Christian High School although I have stepped down from my interim role as Vice Principal.

JAYSON PAYNE

Jayson Payne helped me at almost all of our conventions this past year and has been a huge blessing handling customer support and many of the technical responsibilities of running our ministry.

I've known Jayson for more than twenty years and he has tremendous experience in apologetics ministry including working for Answers In Genesis and the Creation Museum in San Diego. Through God's Providence he recently joined our team at just the right time!

THANK YOU FOR YOUR SUPPORT

There is so much to look forward to in 2023. Our mission is to support parents, teachers, pastors, and all believers as they raise up confident and loving Christians.

CONOVER FAMILY, FIRST SNOWBOARDING TRIP TOGETHER

SPECIAL THANKS

Dan Faller
Luke Gibson
Mark & Missi Kohler
